

Welcome to Port of Korsør

## TERRORISM PREVENTION - ISPS

Port of Korsør meets the International Maritime Organization's (IMO) requirements for the security of port facilities.

Amerikakajen is ISPS-compliant, as well as the North and South Inner Harbor.

Access to Amerikakajen, as well as North and South Inner Harbor, is controlled by fences, camera surveillance, and a gate system. Only authorized personnel may be present in the secured ISPS facilities/areas. Individuals with valid access operate the scanner or keypad themselves.

Other guests, suppliers, etc. for arriving ships and companies at the port can gain access by contacting Port of Korsør administration at tel. +45 5837 0085 or via email: [info@korsoerhavn.dk](mailto:info@korsoerhavn.dk)

## REQUIREMENTS FOR CREW

Crew members who wish to go ashore must have:

- PIN code for the gate
- Direct access to/from the ship
- No access to other areas of the port.

Port manager: Jimmi Jørgensen

Port Office assistant: Mads Bo Jørgensen

Port Office assistant: Mads Timmermann

Office assistant: Pauline Simper

administration

### Emergency call 1-1-2

Situations that require emergency response from  
the police, ambulance, fire brigade or environmental  
emergency services

Life-threatening illness and injury

Please check  
waste sorting instructions on the waste containers

Reception facilities for waste from ships have been  
established here

### Garbage

Vessels has the option to deliver garbage in Korsør port, but  
only garbage produced since last port of call is accepted.

Korsør port requires vessel to sort garbage according to in-  
structions given via agent or shown on garbage bins. Gar-  
bage area is monitored by cameras.

In case garbage is not sorted according to instructions, costs  
in this connection will be sent to vessel owners.

WELCOME TO PORT OF KORSØR
